Objective: To obtain a job as Cashier or tech-assistant job where I can use my technical knowledge to help others make informed decisions on their purchase.

Relevant Experience:

- As a Cashier at Raj Electronics(1 year), I provided exceptional customer service as a Cashier and I also helped customers make informed purchase by helping them with my tech knowledge.

Additional Information: I can show initiation to develop my skills in this field. I am also a very tech-savvy person who liked to work around tech and know more about it. Hence, I think I would be a great fit at Best Buy as a cashier.
